Dear Dana:

I wish to thank you for your kindness in appraising the two pane 1779 sheet of Continental Currency for my friend Ken Shear. I know how busy you must be in your extensive and amazing auction business which you have expanded into so many exciting collecting areas.

Your own collection of early American paper money must be marvelous and if you have any suggestions for the improvement of my book please send them to me as a 5th edition seems very possible.

My kind regards,
